

Maths

In Maths we will be

- Comparing and measuring length and height.
- Learning how to use a ruler accurately.
- Solving length and height problems.
- Comparing and measuring mass and capacity.
- Solving weight and capacity problems.
- Continuing to count in forwards and backwards in 2s, 5s and 10s.
- Recapping our numbers bonds to 10.

English

In English we will be focusing on fiction stories linked to Space. We will be looking at the stories 'Whatever Next' and 'Q-Pottle 5'. and we will also be writing a set of instructions linked to building a rocket. Within these topics the children will get opportunities to explore characters, sequence the stories, answer comprehensions questions. The children will also learn about features of a letter and how to write letter.

P.E

In PE the children will be learning about the importance of PE and how this helps keep us healthy. We will be learning to control our bodies and how to throw and catch a range of balls effectively.

Children in school will need their outdoor PE kits on a Wednesday and indoor PE Kits on a Thursday

Year 1

Elder and Hawthorn

Miss Horsfall/ Mrs Ledger

Mr Whittam

Foundation subjects

PSHCE- The children will be learning about being safe and our changing body.

Computing- In computing the children will be developing their mouse and keyboard skills. They will be using Microsoft Word to write lists and instructions linked to building a rocket.

Music- We will be exploring space through music, movement, chanting and the playing of tuned instruments

History— This half term our History topic is 'Great Inventions-Transport'. The topic will include looking at the first aeroplane flight and the development of the railways.

Geography- Our Geography topic is 'People and our communities' where the children will take four journeys around the world. Starting with their local area, they then look at coastal, rainforest, dry (desert) and world city locations

Science- This half term our topic is called 'On Safari'. Within the topic the children will get the opportunity to identify mini beasts, classify if they are invertebrates or vertebrates as well as some investigation work.

Year 1 notices

We will be providing children with an additional homework book 'Maths Mental Workout'. Please collect this book on Thursday 25th February when you collect your child's reading book.

Please can jumpers be named so that they are easily identifiable.

It is important that children bring a water bottle to school each day as we are unable to use share cups.

PE will be outdoor on a Wednesday—please provide appropriate warm labelled clothing.
