

Maths

In maths we will be continuing our topic on statistics. In this we will be drawing and interpreting pictograms and block diagrams. We then move onto recognizing the properties of 2D and 3D shapes. This will include developing our understanding of sides, vertices, faces etc. as well as learning about patterns and symmetry. We then hope to move onto learning about fractions; in particular halves, quarters and thirds of shapes and numbers. Initially all work will be available on Google Classrooms so you could look on here to support your child further at home

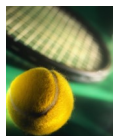

English

In English we will be learning how to read and write explanation texts linked to Pie Corbett's Teacher Pleaser and Wallace and Gromit's Cracking Contraptions. We will continue to explore different sentence openers and technical vocabulary as well as the use of a wide range of punctuation. Reading comprehension activities will form an important part of our weekly lessons and spellings and handwriting will continue to be taught daily. We will also continue to develop our understanding of the Y2 grammar concepts focusing on different word and sentence types. Initially all work will be available on Google Classrooms so you could look on here to support your child further at home

P.E

PE in school is on Tuesday (Please ensure that your kit is in school on this day.
When school is fully open again, Friday PE lessons will resume.

Year 2

Miss Mead and Mr Metcalfe

ruth.mead@northowram.calderdale.sch.uk

harry.metcalfe@northowram.calderdale.sch.uk

Foundation subjects

Science: We are learning about the properties of different materials and thinking about their suitability.

History: We are learning about traditional British seaside Holidays.

Computing: Children will develop their understanding of what algorithms are, how to program them and how they can be developed to be more efficient, introducing children to loops.

Art: Children will continue exploring how bodies and faces are portrayed in art.

In Science and in PHSE we will be learning about how to have a healthy body and mind. We will focus on exercise and healthy eating.

Year 2 notices

As the weather is getting colder please can we ask that children are sent to school with a coat each day.

Please can jumpers be named so that they are easily identifiable.

It is important that children bring a water bottle to school each day as we are unable to use share cups.

Day of the Week	Home-work	Reading books	Things to remember
Monday		Handed out
