

## Maths

In Maths, we will be focusing on:

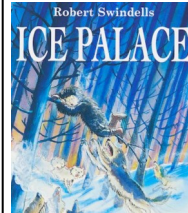

Addition and Subtraction of ones, tens and hundreds using single digit, two digit and three digit numbers.

Then moving on to.....multiplication and division

With lots of recapping of the 2, 5 and 10 times tables from Year 2!

Multiply by 3
Divide by 3
The 3 times-table
Multiply by 4
Divide by 4
The 4 times-table
Multiply by 8
Divide by 8
The 8 times-table

## English

We are starting this half term by looking at this story. Children will be writing letters, descriptions and thinking deeply about dilemmas using our 'Thinking Hats' strategy! Please don't read at home - we will be reading this in short sections for the next 5 weeks!

**Year 3  
PINE  
Miss Davis**

## Foundation subjects

Autumn 2

French	Jeux et Chansons (Games and songs)
Science	Forces and magnets
Computing	Programming- Scratch Programming apps
DT	
History	The Stone Age
Geography	
Art	Art and design skills  Prehistoric art
RE	How do Jews remember God's covenant with Abraham and Moses?

## P.E

3 PINE have PE on Mondays and Wednesdays. They will be outdoors, weather permitting!

## Year 3 notices

Break time snack—please make sure their snack (fruit or vegetables) is in their bags not lunch boxes. This helps our transition between lesson and break times to be smoother as lunch boxes are kept in a different place to the cloak room.

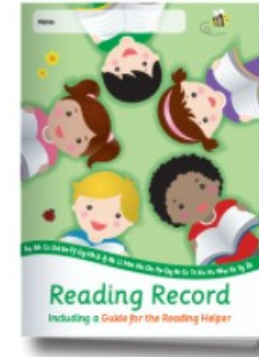

Water bottles need to be labelled with their name.

Day of the Week	Home-work	Reading books	Things to remember
Monday			PE KIT
Tuesday			
Wednesday			PE KIT
Thursday			
Friday	Bring in	Bring in	

### Reading Schemes and Books

In Year 3, children continue to use the PM books scheme that they used in Year 2. In order to change reading books, due to the new measures in school, we ask for them to be brought in every FRIDAY and they will get a new reading book every MONDAY. They need to record their reading in their new reading records and bring them in WITH their reading books. There is also space at the bottom of the page to record any tricky words. If they do not finish their book in time for Friday, keep it until it has been completed and they will get a new one on the next Monday after they have returned it. Throughout the week it would be great if your child can read the book more than once. This will really help with fluency and practice any tricky words they found as they read it the first time through. I've been reading with each child over the last two weeks and there are a few things that they can be working on at home

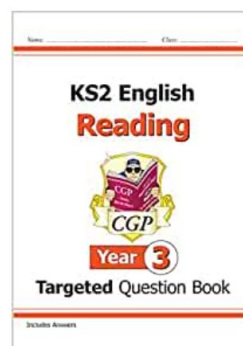

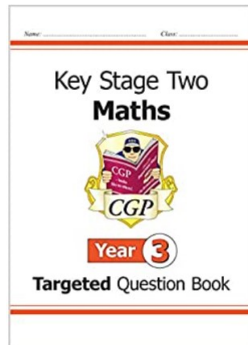

- ⇒ Slow reading speed down, taking note of punctuation
- ⇒ Tracking the sentence with a finger to avoid missing lines out
- ⇒ Re-reading a sentence if it didn't make sense
- ⇒ Asking for help with any words they don't understand the meaning of

### Homework

Homework is given out every FRIDAY and is to be brought in the following FRIDAY and no sooner as we cannot store them at this time. Children will receive—maths, SPAG and a reading activity.

There will be time on a Friday for children to ask about any questions they found tricky.

Children will be asked to write the relevant pages on the inside cover of each book.

Children can also supplement this work by using Time Table Rockstars, passwords will be written in the math's homework book. Please use the link below to login.

<https://play.ttrockstars.com/auth/school>

### Star of the Week

We are going to also start handing out 'Star of the Week' booklets for children to complete at home and bring in. In 3 PINE, these will be handed out on WEDNESDAY and need to be brought in the following WEDNESDAY.
