

Maths

In Maths we will be focusing on:

- * Length and measuring - finding equivalent lengths, comparing, adding and subtracting lengths. Please familiarize yourself with a ruler and the units of measurement used
- * Statistics - we will be analyzing and creating bar charts, tables and pictograms.
- * Fractions - we will be recapping and looking at halves, quarters, thirds, unit and non-unit fractions and equivalent fractions.

English

Our book for this half term will be 'The Lion & The Unicorn'. Within this book we will be looking at diaries, letters, non-fiction work on what it was like to be an evacuee in WW2 and descriptive writing based on settings.

India

P.E

We have PE on Mondays and Wednesdays.
They will be outdoors, weather permitting!

Year 3 notices

Break time snack—please make sure their snack (fruit or vegetables) is in their bags not lunch boxes. This helps our transition between lesson and break times to be smoother as lunch boxes are kept in a different place to the cloak room.

Please ensure only the necessary things are brought to school in a suitable size bag as our cloakroom is shared with 3 Pine and is extremely tight on space.
Star of the Week will take place on a Tuesday.

Day of the Week	Home-work	Reading books	Things to remember
Monday			PE KIT
Tuesday			Star of the week
Wednesday			PE KIT
Thursday			
Friday	Bring in	Bring in	

Reading Schemes and Books

In Year 3, children continue to use the PM books scheme that they used in Year 2. In order to change reading books, due to the new measures in school, we ask for them to be brought in every FRIDAY and they will get a new reading book every MONDAY. They need to record their reading in their new reading records and bring them in WITH their reading books. There is also space at the bottom of the page to record any tricky words. Throughout the week it would be great if your child can read the book more than once. This will really help with fluency and practice any tricky words they found as they read it the first time through. I've been reading with each child over the last two weeks and there are a few things that they can be working on at home

- ⇒ Slow reading speed down, taking note of punctuation
- ⇒ Tracking the sentence with a finger to avoid missing lines out
- ⇒ Re-reading a sentence if it didn't make sense
- ⇒ Asking for help with any words they don't understand the meaning of

Homework

Homework is given out every FRIDAY and is to be brought in the following FRIDAY. Children will receive—maths, SPAG and a reading activity. There will be time on a Friday for children to ask about any questions they found tricky.

Children will be asked to write the relevant pages on the inside cover of each book.

Children can also supplement this work by using Time Table Rockstars, passwords will be written in the math's homework book. Please use the link below to login.

<https://play.ttrockstars.com/auth/school>

Star of the Week

We are going to also start handing out 'Star of the Week' booklets for children to complete at home and bring in. In 3 PINE, these will be handed out on a THURSDAY and need to be brought in the following THURSDAY.
