

Maths

In Maths we will be focusing on:

Add whole numbers with more than 4 digits

Subtract whole numbers with more than 4 digits

Inverse operations (addition and subtraction)

Multi-step addition and subtraction problems

Add and subtract integers

Multiply 4-digits by 1-digit

Multiply 2-digits (area model)

Multiply 2-digits by 2-digits

Multiply 3-digits by 2-digits

Multiply up to a 4-digit number by 2-digit number

Divide 4-digits by 1-digit

Divide with remainders

Short division

Division using factors

Long division (1)

Long division (2)

Long division (3)

Long division (4)

Factors

Common factors

Common multiples

Primes to 100

Squares and cubes

Order of operations

Mental calculations and estimation

Reason from known facts

English

We are beginning the year by studying Rose Blanche. The children will be writing predictions, descriptions and diary entries. We will study the author's careful use of language and focus heavily on the main character's experience in the story.

The second book we will be studying this term is Cloud Busting. The children will create a play-script and a pair of letters with contrasting formality.

Year 6

Cedar

Miss Durn

P.E

6 Cedar have PE on Tuesdays and Wednesdays. They will be outdoors, weather permitting!

Foundation subjects

French	Notre Ecole (Our school)
Science	Classifying living things
Computing	Intro to Python- Using the programming language of Python
Geography	South America – The Amazon
Art	Art and design skills
Music	The coast
RE	How do Sikhs show commitment?
PSHE	Families and relationships- respectful relationships, resolving conflict, change and loss and stereotyping.

Year 6 notices

Break time snack—we highly recommend packing a snack for your child as the timings for lunch differ slightly to normal meaning that your child may be more hungry by the time lunchtime arrives.

Please make sure their snack (fruit or vegetables) is in their bags not lunch boxes.

Day of the Week	Home-work	Reading books	Things to remember
Monday		Bring	
Tuesday		Bring	PE Kit/ Forest school kit
Wednesday		Bring	PE Kit
Thursday		Bring	
Friday	Bring in	Bring	

Reading Schemes and Books

In Year 6, children continue to use the Accelerated Reader scheme that they have been using for the past few years.

In order to change reading books, due to the new measures in school, we ask for them to be brought in every **Friday** and they will get a new reading book every **Monday**. They need to record their reading in their new reading records and bring them in **with** their books. It would be great if you could listen to your child reading multiple times during the week. This will allow them to build reading fluency and discuss any tricky words that they found when reading.

Focus on the following when reading-

- ⇒ Slow reading speed down, taking note of punctuation
- ⇒ Tracking the sentence with a finger to avoid missing lines out
- ⇒ Re-reading a sentence if it didn't make sense
- ⇒ Asking for help with any words they don't understand the meaning of

Homework

Homework is given out every **FRIDAY** and is to be brought in the following **FRIDAY**.

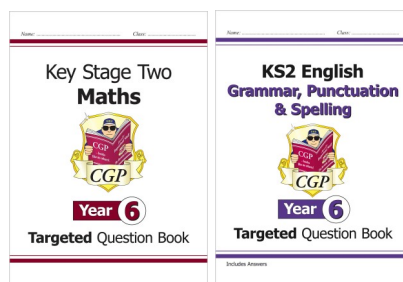

Children will receive—maths and SPAG. We will also begin sending reading homework in the coming weeks.

There will be time on a Friday for children to ask about any questions they found tricky.

Children will be asked to write the relevant pages on the inside cover of each book.

Children can also supplement this work by using Time Table Rockstars.

<https://play.ttrockstars.com/auth/school>

Star of the Week

We are going to also start handing out 'Star of the Week' booklets for children to complete at home and bring in. We will celebrate their achievements as a class during our circle time.
